

We adore dogs at Rowton Hall Hotel and Spa, and love that our guests can bring their four-legged friends on their travels with them!

We just have a few elements on our pet policy that we'd like to make you aware of.

- We don't want to make your dog anxious by having strangers entering their room if they are alone, so please let reception know a time that your room will be vacant for the daily room clean or pop the door hanger provided outside your room.
- Please never leave your four-legged companion alone in their room if you are leaving the property.
- Please keep your dog on a lead at all times in the public areas of the hotel.
- We want to make your pets stay as comfortable as home, but unfortunately our furry friends are not allowed in our Thyme Restaurant. We are happy to organise your breakfast and evening meals to be taken in our Lounge Bar upon request.
- If there are any unfortunate accidents in the room, or the room requires extra cleaning after your stay, we may charge an additional fee for this. Please let us know of any issues as they arise!

Please sign here to confirm you have read and understood the above dog policy.
